

Do you have an active 4-5 year old that would like stimulating exercises using running, catching, throwing skills? If so this program is for you! The Rebels will bring back “Funplay” to their list of programs for your youngster to not only burn off energy, but to learn the basic and essential fundamentals of any sport. This program will get them using these skills while playing interactive games.

Funplay is a winter program which will start October 23rd and run until March 11th, 2011. Sessions will run for one hour under the instruction of National Bantam All Star 1st Baseman – Ky Desaulniers, Provincial Gold Medalist - Centrefield - Sydney Noble and Western and National experienced catcher Ashley Eistetter. This program will develop and merge into the spring/summer months with Softball Canada’s “Learn To Play” Program.

Don't forget your own water bottles, proper indoor clothing and indoor running shoes.
